SAFETY HIGHLIGHTS

"People, safety and quality are more than a priority; they are a value."

We are pleased to report that the 2022 Experience Modification for Intech Mechanical has been officially published by the WCRIB at 57% effective 03.01.2022! An outstanding 8 point reduction from our 2021 EMR of 65% and the LOWEST MODIFICATION for our company in over 10 years!!!

This rating was made possible by everyone at Intech putting safety first. We've seen a change in the mindset in how everyone approaches how work is done.

Let's keep this mindset going into 2022!

NEW TEAM MEMBERS

Please welcome our newest team members!

Scott Chamberlain
Project Manager
Reno Office

Jessica Abril

Mayra Ochoa
Payroll /AP Clerk
Roseville Office

Morgan McBride
Service Dispatch Coordinator
Roseville Office

EMPLOYEE SPOTLIGHT

Q&A

Gary Risse
Preconstruction Manager
Roseville Office

1) If you could describe Intech in 1 word, what would it be?
Integrity

2) What do you enjoy doing in your spare time?
Summer weekends off grid enjoying family and friends, reading westerns, stream trout fishing, spending as much time as I can with my wife, nature photography, taking care of 75 walnut and fruit trees, riding atv's & motorcycles, looking for arrowheads, exploring, RV traveling & camping.

3) Tell me a fact that most people don't know about you?
I rode a black 750 chopper through downtown Sacramento and back through Del Paso Heights with my buddies following behind me for my bachelor's party. No big deal but they had me wear a head-to-toe white bunny costume. Stopped at 7 eleven on Marconi Ave and I'm pretty sure they had their hand on a shotgun under the counter.

1) What do you enjoy most about working here?
I enjoy the family mentality & environment

2) What do you enjoy doing in your spare time?
I own a few properties, so I spend a lot of time working on those when not at work. Also, we spend time with our kid's sports activities. They are soccer players!

3) What destination do you hope to visit one day?
Florida Keys

4) List 3 items on your bucket list
#1 Build a custom home, #2 Build a project car with my kids and #3 I hope to buy enough land that my entire family could live on the same property - immediate and extended family.
